

Summer Mission Trip 2010

Dates: June 26-July 3, 2010

Location: Detroit/Hamtramck MI...our own back yard!

Projects: We will be working with both the Friendship House in Hamtramck and the Detroit Rescue Mission Ministry (DRMM) in Detroit. We may be gardening and sprucing up the outsides of both places. We will be painting rooms at the DRMM for a couple of days. They have asked for help serving both lunch and dinner to the people of the Rescue Mission when we are there. We hope to have the opportunity to meet and visit with some of the people. We could be at DRMM everyday or only a few days. Friendship House hopes to have a home for us to do some small repairs on the outside and painting. Their main facility needs cleaning and organizing.

Lodging: FBC of Birmingham will host us. They have showers and a gym! The church is about 15 minutes outside of Detroit.

Food: FBC of Birmingham has a full size kitchen that we will be able to make meals in each day. Sue and a team of adults or youth will help prepare these meals. We may also eat at the DRMM.

Transportation: We plan to drive vehicles down to the Detroit area. Right now we have one mini van and will be in need of other vehicles depending on the number of participants.

Participants: The trip is open to all students 7th grade and up, parents and adults. We are in need of adults who would be able to lead in painting, gardening, cooking, driving and small outside repairs.

Cost: Will be \$150 if registered by June 6, \$175 by June 13. We will not take registrations after June 13. This will cover the cost of Lodging, Food, Transportation and any miscellaneous expenses that may come up.

What Each Participant will need: Items subject to change
*Registration, Medical Release and Permission form
filled out by June 6 with a \$75 deposit, full payment made by June 20.*
