

Dear Senior High Parents,

We have our second Senior High Deep Discussion Overnight on March 5-6. We are asking that students come to our house, 4021 Lowell Ct, by 5:50 PM and we will bring students back to our home by 2 PM on Saturday.

We will drive up to Trinity Lutheran Camp, which is about an hour away on Wixom Lake. We have one cabin available and a lodge. The cabin will be assigned to the guys and the lodge to the girls. The main lodge area will be used to have discussions and to eat at. We will do some group building activities and open up our time to topics that students are interested in exploring.

We will have dinner on the way up and prepare breakfast as a group. We are asking students to help cover the cost of food and lodging by paying \$10. Students will need to bring warm clothes, slippers, sleeping bag, a blow up mattress would be a good option, a snack to share and their own drink(s).

Why this event? This idea is coming from our students. They have requested the opportunity to be more open about who they are and explore what they think. This event will provide a safe environment to do just that. This will also allow us to provide a biblical perspective to what they are discussing.

Rich

PS...We have one more Deep Discussion overnights planned and the date is April 9-10.
